UtahMentor Career and College Exploration Module

- 1) Navigate to www.UtahMentor.org

Click on **My Mentor** and then **Create an account**

Please fill out **Your Information, User Name and Password**, and **E-mail** information

Once you've established a **UtahMentor** Account, you may come back to the website at anytime, 24/7 to explore, review and update any of the information contained in UtahMentor.

- 2) Click on the **Career Center**

Click on the **Career Self-Assessment**

Click on the **Career Key** within the **Interests** box

Take the **Career Key** and report your results on your worksheet

Close the **Career Interest Survey**

- 3) Click on the **Career Matching Assistant**

Use the drop down menus to fill out your **Planned Educational Level**

Use the drop down menu to fill out your **Industry Focus**

Click on View **Matching Careers**

Explore your **Matching Careers** and select 3 that you would like to research

Scroll down to find **Related Majors** within your **Matching Careers**

- 4) Click on **Select A Campus**

Click on **Campus Tours**

Select 3 colleges of interest and take a **Campus Tour**

Interested in colleges outside of Utah?

Click on **XAP** logo

Click on **Go To College**

Click on **View Campus Tours**

You may now search by college name or alphabet

Within the Campus Tour click on **See more in Academics**

Find out in what area that the school awards the most degrees in and write this information down on your worksheet

- 5) On your worksheet check all Educational/Occupational Goals that apply to you

- 6) Click on **Planning For College**

Click on **Scholarship Search**

Perform a **Keyword Search**

For example; leadership, merit, biology, etc...

Research and write down on your worksheet 3 scholarships of interest to you

- 7) Click on **Financing Education**

Below **Financial Aid Overview**, click on **Step 1: What is Financial Aid?**

Research the different types of Grants and Loans

Write down the difference between Grants and Loans on your worksheet

- 8) Click on **Planning for College**

Click on **Test Prep**

Log back into the system if you need to

Click on **Begin Test Prep**

Explore the UtahMentor ACT/SAT test preparation tool

- 9) Use the UtahMentor Student Guide Book to answer the remainder of your questions
