

## UtahMentor ACT and SAT Test Preparation Module

- 1) Navigate to [www.UtahMentor.org](http://www.UtahMentor.org)  
Click on **Create An Account**  
Please fill out **Your Information, User Name and Password, and E-mail**

Once you've established a UtahMentor Account, you may come back to the website at any time (24/7), to explore, review and update any of the information contained in UtahMentor.

- 2) Click on [Free ACT / SAT Test Prep](#)
  - Log-In if you need to
  - Click on **Begin Test Prep**
- 3) Click on **ACT**
  - Determine what the ACT subtests are and write them down on your worksheet
- 4) Under Category, click on **English** and read the first 4 pages of the tutorial
  - Click on **Companion Home** under ACT on the right hand side of your screen
  - Look under tutorial and write down what percent of the tutorial you have read
- 5) Click on **Pre-Algebra**
  - Click on **Skip Ahead to the Practice Questions**
  - Read the Practice Question section and then click on **Get Started**
  - Determine your answer to Question 1 and click **Submit Answer**
  - Proceed to Question 2 and answer this question as well
  - Click on **Companion Home** and determine what percentage of the practice questions you have done and write the percentage down on your worksheet
- 6) Under Companion Home, click on **Account Management**
  - Click on the **ACT Control Panel**

- Check your email information to make sure it is correct
- Enter the date of the ACT exam you want to take
- If you would like your parents, counselor, or teacher to receive information related to your test preparation, add their email address under coach
- If you would like to receive email letting you know your progress in the Test Prep module, check the days you would like to receive e-mail notification
- Click **save changes**

7) Click on **ACT**

- Click on **Sample Tests** under ACT Companion Home
- Read the 2 paragraphs and determine how much time you have for this exam
- Write down this answer on your worksheet
- Click on **Sample Math Section** and answer the first 2 questions
- Near the bottom of your screen, click on **I'm done**
- Click on **Submit for Grading**
- Read through your results and then click on **Review Questions**

8) On the right hand side of your screen, under ACT, click on **Test Tips**

- Click on **Time Management**
- Write down what you consider the best piece of advice

9) On the right hand side of your screen, under ACT, click on **Exam Information**

- Click on **FAQ**
- Click on **How much time should I spend on test preparation?**
- Write down the general rule for ACT test preparation
- You may want to determine how many days there are before your ACT exam and divide up your preparation time over your remaining days

10) If you plan to take the SAT exam you will have to go back into the ACT module

- Click on **Companion Home**
- Click on **Add a Test**
- Provide your exam information
- Click on **add exam**

**You're now ready to study for another exam!**

**Good Luck!**
